## Directions for Fernhill Apartments (from Costcutter, Carbis Bay)

\*Note: You may find that your Sat Nav will try and take you around the back of Fernhill, but you need to enter from the top.

As you drive along St. Ives Road you will pass Costcutters supermarket on your left. Keep going and you will pass Carbis Bay Holidays, again on your left.

Drive along a little further and on the opposite side of the road, the road starts to bend, and on the bend on the right hand side there is a slate sign saying Fernhill.

Take this private road down and you will pass Fernhill house. Straight in front of you you will see Fernhill Apartments.

Please Park in the numbered space that corresponds with apartment number.
